the Extension and Cable for the opinion of the Committee as to the places at which stand-pipes should be fixed and whether it would be enough if they are fixed at or near the junctions of roads.

6 I beg to say that the 14th Jan. 1909 from the Secy. New Extension Committee Returns the plan and submits for early orders a copy of the Committee's Resolution deciding that it will be sufficient for the present if stand-pipes are erected at the junctions of roads and ongoing between the necessity for the water supply in that extension.

14 The Cost of fixing the stand-pipes at the junctions of roads will have to be ascertained from the Chief Engr. then arises the question of meeting it the Chief Engineer has remarked in another Connection that no reappropriation is possible out of the current year's P. W. grants and that no money can be spared out of the current year's State grant of Rs 1000000 for the Bangalore City Improvement. The Charge is also not one debitable to Municipal funds.

Sir,

With reference to your docket No. 6275/Ml.580-07-15 dated the 7th Instant, forwarding a ferro-plan of the New Extension and enquiring whether it would be enough if stand-pipes are fixed at or near the junctions of roads, I have the honour to submit herewith, for the information and early orders of Government, a copy of the Committee's Resolution dated the 15th January 1909, deciding that it will be sufficient for the present if stand-pipes are erected at the junctions of roads.

2. The ferro-plan is herewith re-submitted.

I have the honour to be
Sir,
Your most obedient servant,

Secretary, New Extension Committee, Bangalore City.
